Re your tel 12 July 2.

We agree potential importance restraining influence milit and had given some thought, quite independent of Khrushchev's recent statements public and private, to reactivating the Vershinin visit. However, we consider it important that General Twining who is convalescing may receive him and it now appears that ~~XXXXXX~~ not be back until later in July. ~~XXXXXXXXXXXXXXXXXXXX~~ on active duty ~~XXXXXXXXXXXXXXXXXXXX~~.

Actually we would in addition want to consider timing carefully especially in light Khrushchev braggadocio and threats in talk with you and Harriman. We would not want any implication invitation ~~XXXXXX~~ Vershinin ~~XXXXXXXXXXXXXXXXXXXX~~ reflected alarm or concern about this interview. ~~XXXXXX~~

~~XXXXXXXXXXXXXXXXXXXX~~ In ~~XXXXXXXXXXXXXXXXXXXX~~ our view Khrushchev tirade part of deliberate campaign of intimidation rather than substantive change of position and we would not want to play into his hands.

We hope Kozlov visit will accomplish some of results you
